### DO YOU WEAR ONE?

By Jim Manes

For the red, white and the blue?

Doesn't our Old Glory mean

A bloomin' thing to you?

You say it does—well, then, why not

Do something more than brag

About your patriotic stand?

Go on, men, WEAR A FLAG!

P. S.—I've got a hunch lapel holes were put there to hold something. Make it a little metal American flag!
